Dear Wildflower Patients:

This letter is to inform you that Dr. Cindy Mingea is leaving private practice as of July 31, 2022.

It is Dr. Mingea's hope that her patients will continue care with the excellent doctors who remain at Wildflower OB/GYN: Dr. Caroline Cohen, Dr. Erica Garza, and Dr. Michelle Lu. Dr. Mingea's patient records will reside here with Wildflower OB/GYN. If you desire to change practices, a copy of the records will be sent to the provider of your choice, upon receipt of a written request.

We thank you for the privilege of providing your medical care. We remain grateful for the possibility of sharing meaningful moments with you along your life's journey.

Yours in health,

The Doctors and Staff of Wildflower OB/GYN
